2019 FACILITIES REFERENDUM

A community survey conducted in September 2018 guided the Board's decision to place **two referendum questions**, totaling \$98.5 million, on the April 2, 2019 ballot.

QUESTION #1 | *not to exceed \$91.5 million*

This question focuses on District-wide improvements in three key areas:

Improve Safety and Security

> *Redesign School Entrances and Interior Spaces*

Address Building Exteriors

> *Replace Roofs, Windows, and Doors*

Update Building Systems

> *HVAC, Electrical, and Plumbing*

▶ The estimated tax impact is **\$36 per \$100,000** of property value.

QUESTION #2 | *not to exceed \$7 million*

This question focuses on **adding air conditioning** to eight schools, which would then enable each school in the District to provide students with climate-controlled learning environments.

The estimated tax impact is **\$8 per \$100,000** of property value.
