

**Woodworth Middle School
Parent School Climate Survey**

As a parent who has children attending Woodworth, you are being asked to complete this survey on various aspects of school climate. This survey asks your opinions on this school's efforts to maintain a strong, safe, and supportive learning environment; the availability of health and counseling services; your perceptions of student risk and problem behaviors; and the quality of staff/student relationships. Please be assured your responses will be kept strictly confidential and will be used only in aggregate form for analytic and reporting purposes.

This survey will take approximately 7 minutes to complete. Because your opinions are so important, parents with children attending other schools are being asked to complete a survey for each school. Please return your completed survey to the school office. Your time and assistance are greatly appreciated.
