

## **Alternative High School Admissions Procedure**

Fondy Central is an alternative high school in Fond du Lac. This program is intended to be an opportunity for those students who, for a variety of reasons, have not been successful at Fond du Lac High School. The goal of this program is to provide a supportive educational environment with high expectations for students. It is an alternative means to earn a high school diploma.

The procedure for placement at the alternative high school includes the following:

- 1.) Completion of the Alternative High School Application form by the student
- 2.) Visit to Fondy Central to discuss student goals, application responses, and the program, followed by a tour of the building. Included at this meeting will be the student, parent/guardian, Fondy Central mentor teacher, Fond du Lac High School counselor, social work, psychologist or administrator.
- 3.) Approval by Fond du Lac High School administration
- 4.) Completion of the Student Agreement Form

The application form is attached. When completed, return it to Mr. Meznarich. Once it is returned, it will be sent to Fondy Central where a staff member will review it and contact you to set up a meeting. The purpose of the meeting is to get to know you and to develop a plan for your success. It is important to have a parent or guardian attend this meeting, if possible. We will also ask a significant adult from FHS to attend the meeting. After this meeting, the staff at Fondy Central will have you complete the Student Agreement form and return a copy of that form and a copy of the application to Mr. Meznarich. He will notify the necessary people at FHS of your transfer and set a starting date.
