Speaking at Board Meetings: Individuals who wish to address the Board may do so during the portion of the regular meetings designated for the hearing of visitors and delegations. This item of the agenda is governed by Board Policy 0167.3--Public Comment at Board Meetings. "Audience to Visitors and Delegations" is an opportunity for citizens to address the Board on a subject on the agenda or any topic of concern. Board members will listen to the ideas presented but will not engage in dialogue. No action will be taken on an item introduced during "Audience to Visitors and Delegations" as state statute requires that action items be legally noticed prior to a Board meeting. When addressing the Board, persons should give their name and address. Individuals should then proceed to state clearly and concisely the matter(s) of concern.

Presenters are asked to observe the following timelines: 1) any citizen may make a presentation not to exceed five (5) minutes on any item, 2) any delegation, defined as more than two persons speaking on the same topic, may make a presentation not to exceed ten (10) minutes on any item. Those persons exceeding these timelines shall be interrupted as deemed necessary by the presiding officer.

The mission of the Fond du Lac School District, in partnership with the family and the community, is to promote high achievement and foster the continuous growth of the whole child, so that each becomes a creative, contributing citizen in a global society by providing personalized learning opportunities in a safe, nurturing environment.
