FOOD FOR THOUGHT

We are happy to announce that Roberts Elementary will again be participating in the Fondy Food Pantry Food for Thought program during the 2023-2024 school year! Every Friday starting October 5th, students can receive a bag of food at no cost. Food bags include a variety of fresh and canned foods that are kid-friendly and easy to prepare. To avoid allergic reactions, please examine the food items before giving them to your child.

If your child received bags last school year at Roberts, they will automatically be added to this year's list (including any siblings starting kindergarten this year). If you would like to add your child to the list please complete this google form to sign up.

We are very appreciative of the Food Pantry for providing this program!

If you have any questions or would like your child removed from the list, contact:

Katherine Schoofs, School Counselor, at

WHAT'S HAPPENING IN KINDERGARTEN?

This week in Kindergarten, we continued working on building strong routines and habits. We are counting the days of the school year and working on our calendar in Number Corner, and working on numbers up to 5 and 10 in math. We are learning that readers use books to know more about the world! Ask your Kindergartener these questions about their week:

Can you share with me anything about the books you read at school?

What do you see that you can you count?

Child Safety

Starts With You

#ActLikeIt

They Are Watching

As soon as your child is forward facing in a car seat they are watching how you drive as well as learning from you. What are you teaching them? Are you alert for pedestrians and bicyclists? Do you stop at crosswalks for those waiting to cross? Are you patient while waiting for them to cross?

Crosswalks

Crosswalks are placed in areas where vehicle traffic is slower and greater visibility is allowed. When you are alert for pedestrians at crosswalks, you are teaching your children it is better to cross at a crosswalk. When you are patient for those in crosswalks, you are teaching your child it is ok to walk. Walking while in a crosswalk allows for increased alertness for moving vehicles.

Stop

By stopping at stop signs, your child will learn the importance of stopping to observe traffic before crossing at an intersection. Their visual perception is more limited than an adult's therefore they need more time to look down the road for any coming traffic. Many lives are lost each year due to people not obeying a stop sign.

Your child's first and most important teacher is you. Whether you intend to teach them or not, each and every day they are watching and learning from you.

So it is important to ask the question, "Are they learning what you want them to know?"

Obey the Speed Limit

The higher the speed of a vehicle, the greater the chance of a pedestrian fatality. The likelihood of a pedestrian fatality decreases 27% when speed decreases from 30 to 20 mph.

COMIDA PARA EL PENSAMIENTO

¡Nos complace anunciar que la escuela primaria Roberts participará nuevamente en el programa Food for Thought de Fondy Food Pantry durante el año escolar 2023-2024! Todos los viernes a partir del 5 de octubre los estudiantes podrán recibir una bolsa de comida sin costo. Las bolsas de comida incluyen una variedad de alimentos frescos y enlatados que son aptos para niños y fáciles de preparar. Para evitar reacciones alérgicas, examine los alimentos antes de dárselos a su hijo.

Si su hijo recibió mochilas el año pasado en Roberts, se agregarán automáticamente a la lista de este año (incluido cualquier hermano que comience el jardín de infantes este año). Si desea agregar a su hijo a la lista, complete este formulario de Google para registrarse.

¡Agradecemos mucho a Food Pantry por brindar este programa!

Si tiene alguna pregunta o desea que su hijo sea eliminado de la lista, comuníquese con:

Katherine Schoofs, consejera escolar, en

¿QUÉ ESTÁ PASANDO EN EL JARDÍN DE INFANTES?

Esta semana en Kindergarten, continuamos trabajando en la construcción de rutinas y hábitos sólidos. Estamos contando los días del año escolar y trabajando en nuestro calendario en Number Corner, y trabajando en números hasta el 5 y el 10 en matemáticas. ¡Estamos aprendiendo que los lectores usan los libros para saber más sobre el mundo! Haga a su niño de jardín de infantes estas preguntas sobre su semana: ¿Puedes compartir conmigo algo sobre los libros que lees en la escuela?

¿Qué ves que puedes contar?
